1. The following is an examiner's statement of reasons for allowance: All the claims are allowable over the prior art of record because prior art fail to teach or fairly suggest fast GPRS method and system including the features of generating a Mobile Ipv6 Binding Update comprising a generated care of address, and the MAC layer of mobile node encapsulating the Mobile Ipv6 Binding Update message into a routing area request for communicating it to the GPRS network, wherein the routing area request includes an information element associated with a predetermined routing type that is employed by the GPRS network for IP level routing with the mobile node.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Min Jung whose telephone number is 571-272-3127. The examiner can normally be reached on Monday through Friday 9:00 - 5:00.
